

+ Private Medical Insurance

Help your clients avoid the NHS waiting list

Affordable peace of mind.

usaycompare

—THE—
Openwork
PARTNERSHIP

Usay Compare are our chosen Private Medical Insurance (PMI) provider. They offer a market leading comparison service for PMI.

They remove the hassle and confusion from comparing policies and **provide quotes from the UK's leading private medical insurers.**

Premium commissions

As our partner you will earn a premium commission on all leads that convert to business.

Average commission on PMI leads is £400.

Seven

good reasons why Usay Compare are the perfect partner to promote PMI.

1

Market-leading PMI comparison service

Usay Compare are a UK market-leading comparison service for PMI and they focus on making cost-effective private medical care, straightforward and accessible. They have helped more than 450,000 people protect their health with a policy to suit them.

2

Usay compares all leading policies

Using their bespoke comparison system, Usay compare all the UK's leading insurers including AVIVA, AXA and Bupa.

3

Easy to use

There is one simple referral form to use which you can access on [Usay's Openwork page](#).

4

Your clients

Usay's unique, interactive, online client journey makes the client experience quick and simple.

5

Top rated by customers

Usay have achieved an excellent ranking on Trustpilot, with over 5000 reviews and counting!

6

Peace of mind

Usay are FCA regulated and provide an expert, advised sale. They make huge savings on premiums and offer a price match guarantee.

7

Commission structure

You will receive 22.5% of the annualised contribution payable to the Firm, payable in year 1 only. Commission is paid once your client has paid four monthly premiums. If your client's plan lapses in the future no commission clawback is applied.
